

Reviewer Task Management – Complete User Guide

Is PDF me poora process step-by-step explain kiya gaya hai, taaki user easily review task complete karke refund receive kar sake.

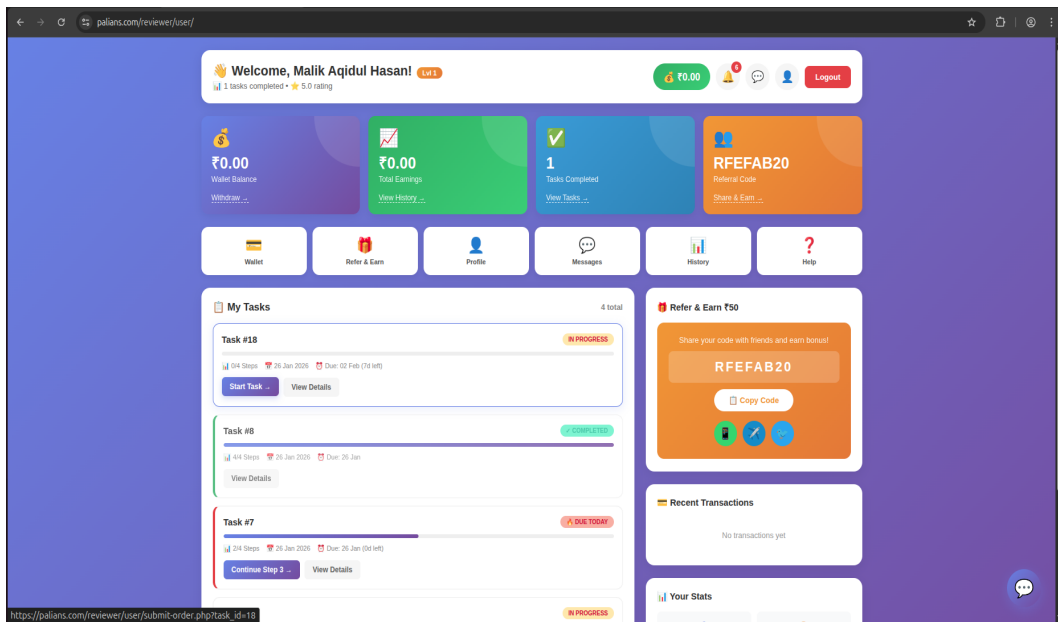

Step 1: Login to Dashboard

Sabse pehle user apne account me login karega. Login ke baad dashboard open hoga jahan wallet, tasks aur referral details dikhengi.

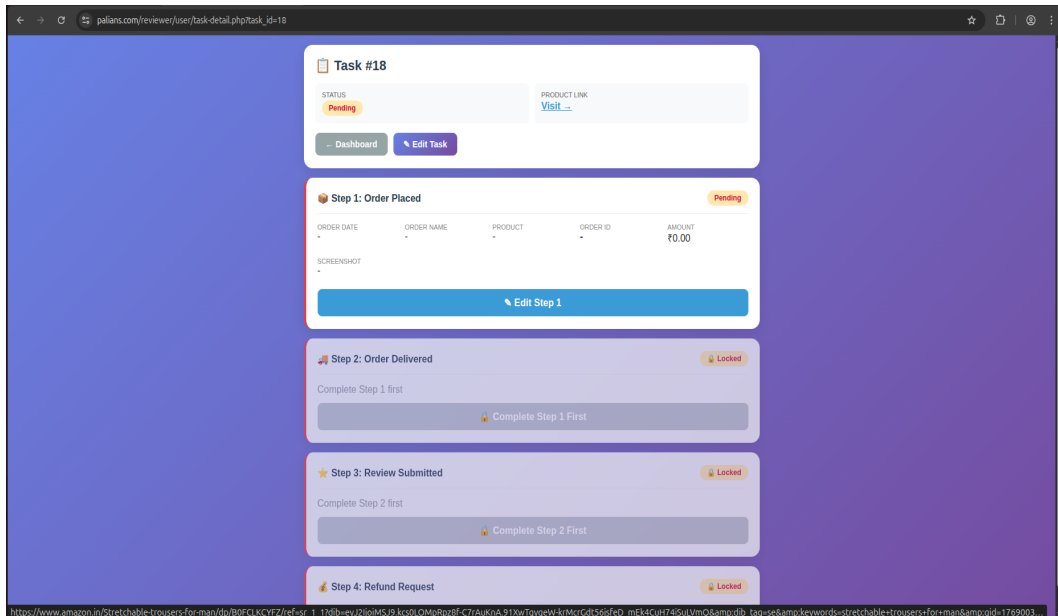

Step 2: My Tasks Section

Dashboard me 'My Tasks' section me aapko assigned tasks dikhai denge. Task open karne ke liye 'View Details' par click karein.

Step 3: Open Task & Visit Product

Task detail page par product link ke neeche 'Visit' button hoga. Is par click karke product page open karein aur wahi product order karein.

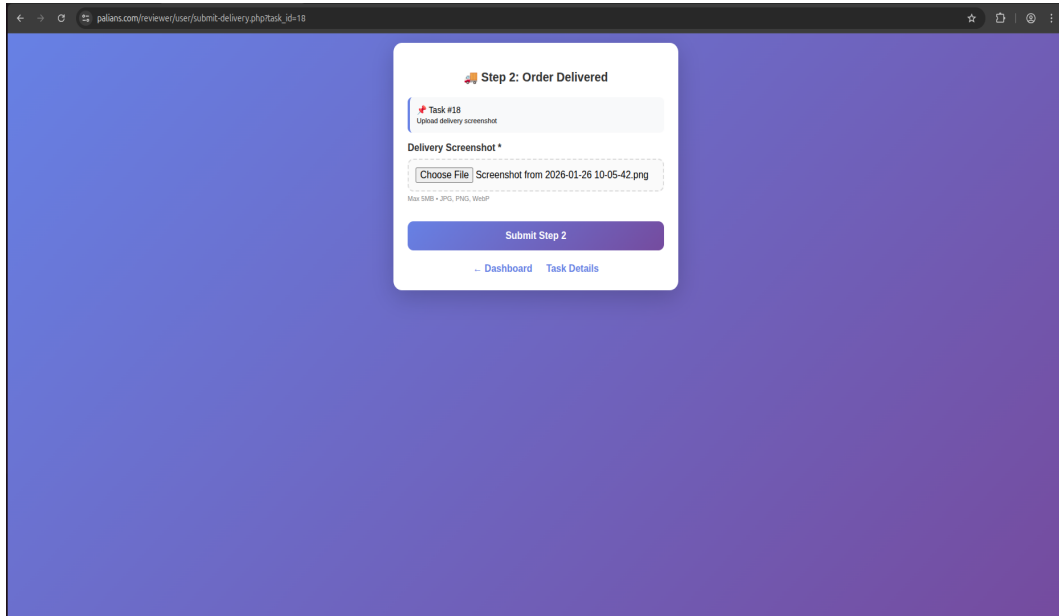

Step 4: Submit Order Details

Order place hone ke baad 'Edit Step 1' par click karke order details aur order screenshot upload karein.

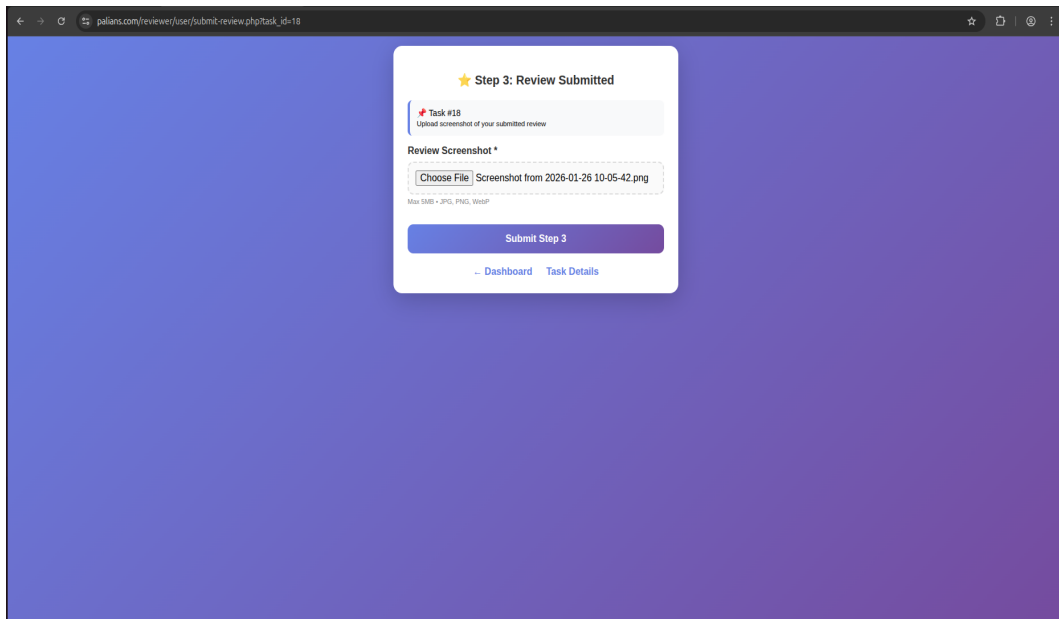

Step 5: Order Delivery Confirmation

Product deliver hone ke din 'Continue Step 2' par click karein aur delivered order ka screenshot upload karein.

Step 6: Review Submission (After 3–4 Days)

Delivery ke 3–4 din baad product par review post karein. Review submit karne ke baad uska screenshot yahan upload karein.

Step 7: Request Refund

Jab review live ho jaye, final step me review live screenshot aur apna UPI/QR code upload karke refund request submit karein.

Step 4: Request Refund

Task #18
Upload both images

Admin will send refund to the QR code you provide. Make sure it's clear!

Review Live Screenshot *

Screenshot showing your review is live

Dashboard

Step 9: Check Refund Status

My Tasks → View Details par jaakar aap refund status aur payment proof dekh sakte hain.

Important Notes:

- Review hamesha delivery ke 3–4 din baad hi post karein.
- Screenshots clear hone chahiye.
- Galat ya incomplete data dene par refund delay ho sakta hai.
