# Reviewer Task Management – Step-by-Step Visual Guide
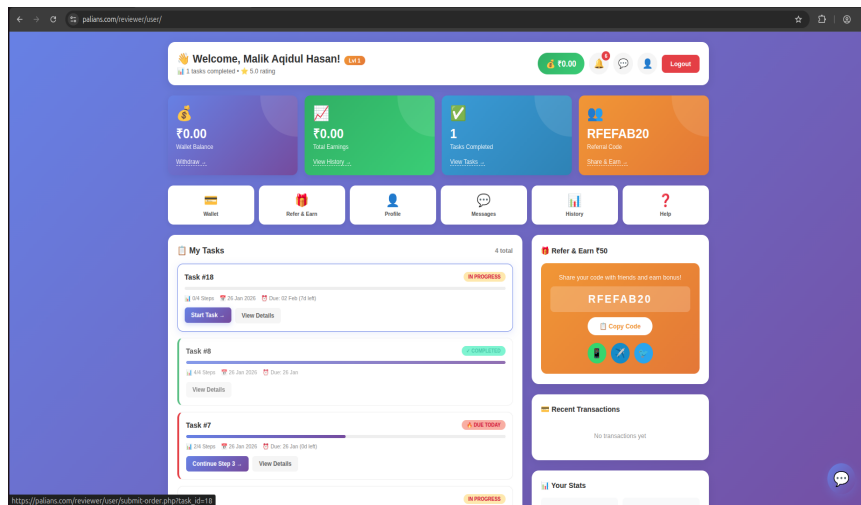

Step 1: Login to Dashboard

Login to your Reviewer account. After login, you will see your dashboard with wallet balance and assigned tasks.

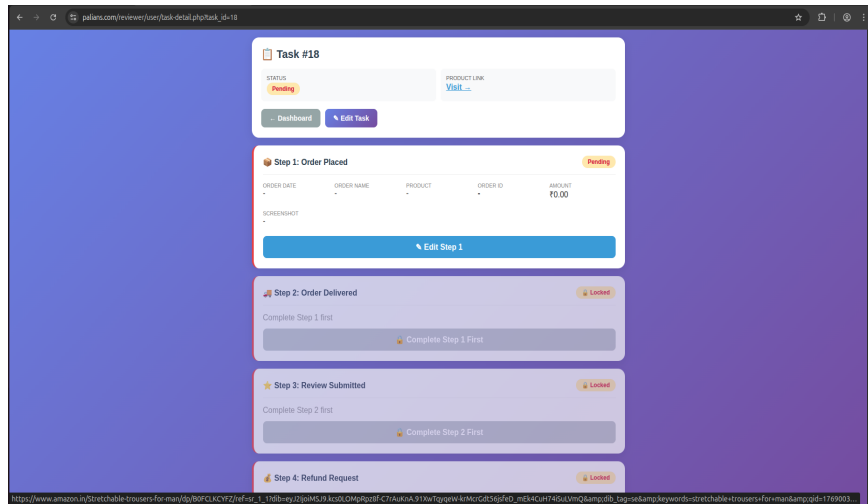

Step 2: Open Your Task

Go to 'My Tasks' and click on 'View Details' for the task you want to complete.

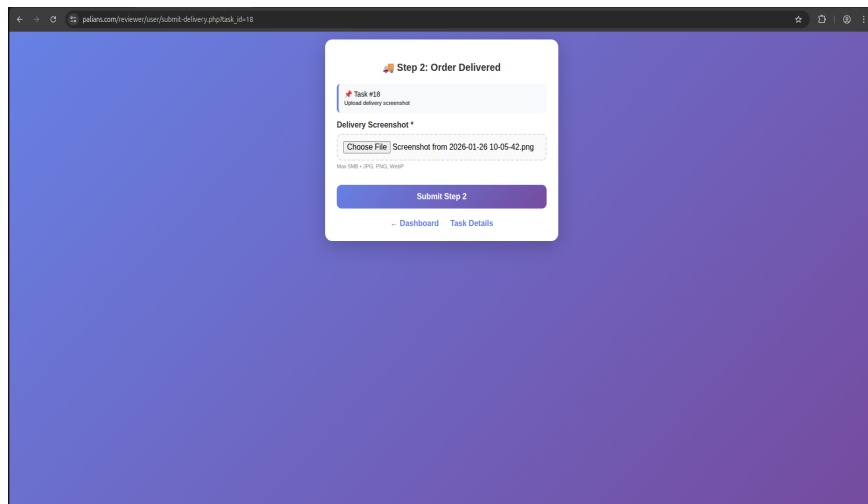

Step 3: Place Order

Click on the product link, order the same product, then submit order details and screenshot.
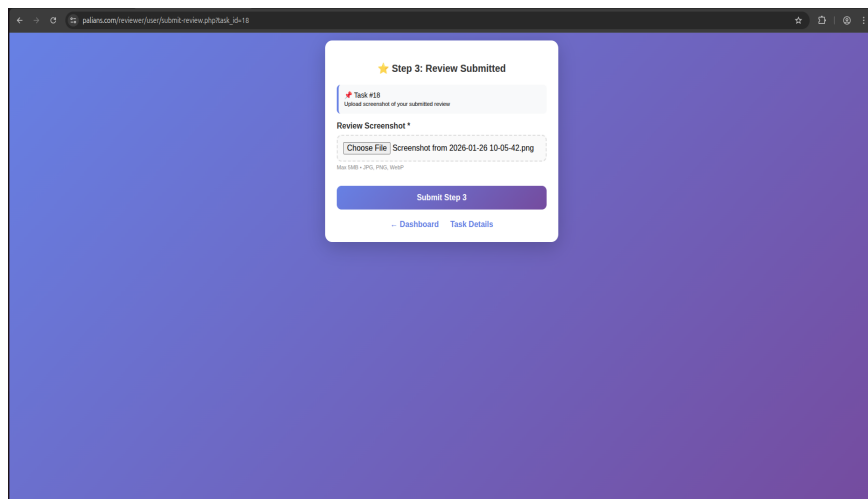

Step 4: Confirm Delivery

After receiving the product, upload the delivery screenshot and submit Step 2.

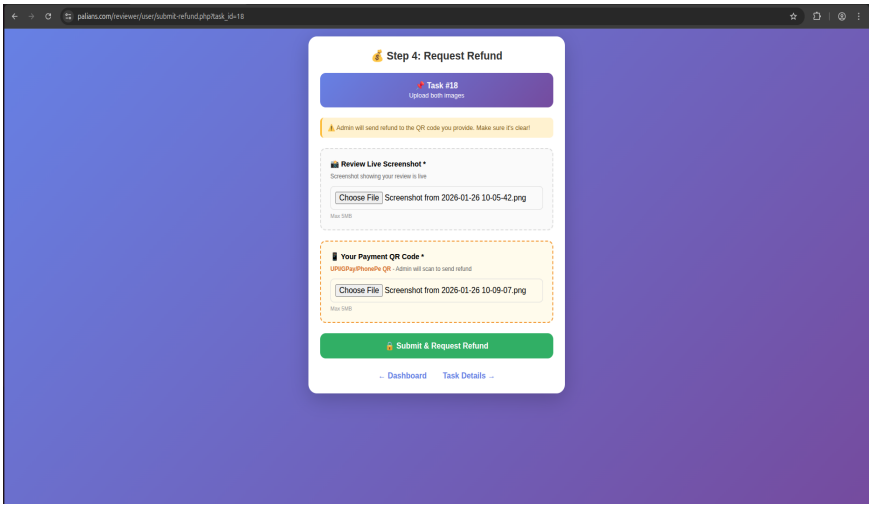

Step 5: Submit Review

Wait 3–4 days, post a review on the product, upload the review screenshot, and submit Step 3.
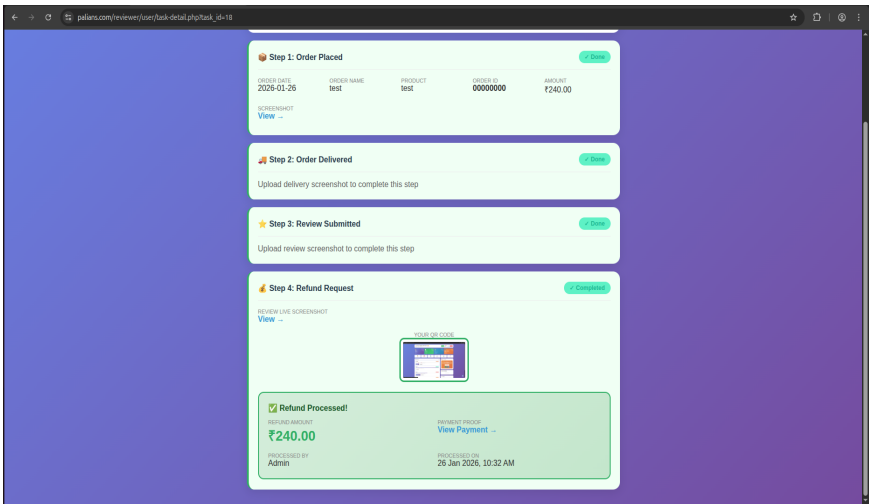

Step 6: Request Refund

Upload live review screenshot and your UPI QR code. Submit refund request.

Step 7: Refund Completed

Within 2 hours, refund will be sent to your QR code. You can view payment proof in task details.

■ Task Completed Successfully
Thank you for using our Reviewer Task Management system.
