Reviewer Task Management – Complete User Guide

Step 1: Login to your dashboard using your registered account.

Step 2: Go to 'My Tasks' section and click on 'View Details' for your assigned task.

Step 3: Click on the product link and place the order for the same product.

Step 4: After placing the order, submit order details with screenshot.

Step 5: Wait until the product is delivered.

Step 6: Upload delivery screenshot (Step 2).

Step 7: After 3–4 days, submit your product review and upload review screenshot (Step 3).

Step 8: Once review is live, upload live review screenshot and your QR code to request refund (Step 4).

Step 9: Refund will be processed within 2 hours to your provided QR code.

Step 10: You can check refund status and payment proof from task details.
